

Scholarship Summary

GMR Transcription Services, Inc. is a leading transcription and translation services provider for universities, government agencies, and businesses nationwide. GMR Transcription will offer scholarships to 25 college students on an ongoing basis throughout the academic year. The scholarship will include online transcription training and, upon successful completion of the course, guaranteed transcription work as independent contractor transcribers. **The Scholarship** also includes a cash award (\$1,000) to two students who complete the TCI course and free transcription equipment package for five students who complete the TCI course. Receive valuable training in the multi-billion dollar transcription/translation business, earn money working your own schedule from your own computer throughout college, and earn cash awards for being the first in your university to complete!
