Concurrent Enrollment Agreement

GENERAL INFORMATION AND PROCEDURES
If you are a Financial Aid recipient at FIU and enroll for a course at Miami Dade College or Broward College, you may be eligible for an adjustment to your FIU Financial Aid award. Only course-work acceptable as transfer credits, towards completion of a degree at FIU, will be considered. With the exception of Bright Futures recipients, if you are a full-time student at FIU, this agreement is not applicable.

• **DEADLINE:** This completed form, with all required documentation, must be submitted no later than the last day to pay at FIU NO EXCEPTIONS.
  - You must be receiving assistance from one of the following programs to be considered for an adjustment in your Financial Aid award: Pell Grant, Florida Student Assistance Grant, Florida Bright Futures Scholarship program (Bright Futures does not pay for remedial courses) and/or Stafford Loans. For eligibility criteria, please refer to your Award Terms and Conditions, via our website at [www.finaid.fiu.edu](http://www.finaid.fiu.edu), under Eligibility & Award Term.

*In order to comply with federal regulation, you are required to submit proof of enrollment from your host school after their add/drop period before we disburse their portion of the aid. Until then, we will only be able to disburse aid for the classes you are enrolled in at FIU.

**Bright Futures Policy:**
- At the end of the term, the student is required to provide FIU's Financial Aid Office with a copy of the transcript from the HOST institution.
- A student that drops or withdraws from a course(s) after the Concurrent form has been processed will be financially responsible for those courses. The student will be placed on accounts receivable and will need to return those funds to FIU.
