

Financial Aid Reinstatement Request Graduation Cancellation

Student Name _____

Panther ID _____

Students meeting all degree requirements for a first bachelor's degree are not eligible to receive federal, state or institutional gift aid (Pell Grants, Supplemental Educational Opportunity Grants, Florida Student Assistance Grants, Bright Futures or other university undergraduate grant programs).

Students pursuing a second bachelor's degree are not eligible for grant aid; grant aid eligibility is limited to the completion of a **first** bachelor's degree.

Once you apply for graduation, a hold will be placed on your account to prevent any future financial aid disbursements. If you will not meet the requirements for graduation and wish to have your financial aid reinstated, you must cancel your graduation application and submit this form to the OneStop office.

Submission of this form does not guarantee financial aid reinstatement for subsequent terms.

This section must be completed by an academic advisor (Select the option that applies):

- Student has not met the degree requirements at the end of the term.
- Student has met the requirements for a first bachelor's degree, however, is seeking a second bachelor's degree.
