Florida law provides for FIU to waive the out-of-state fee for all students, including undocumented students, who demonstrate they:

- · Attended a high school in the state of Florida for 3 consecutive years; and
- Graduated from a Florida high school immediately after those 3 years of consecutive attendance; and
- Applied for enrollment in a state university, Florida College System institution, or Florida career center or charter technical career center in Florida within 24 months after high school graduation.

Note: Decisions for this waiver are made pursuant to Florida state statute 1009.26(12)(a) and Florida Board of Governors Rule 7.008. This waiver is only available for up to 110% of the required credits hours of an undergraduate degree or certificate program for which the student is enrolled. This waiver cannot be applied to non-degree work or graduate degrees. The approval of this waiver does not grant eligibility for financial aid, scholarships or loans from the University, the state, or the federal government. Receipt of this out-of-state waiver does **NOT** constitute classification as a Florida resident for tuition purposes. Students who receive this waiver remain classified as non-Florida residents for tuition purposes and are **NOT** eligible for state financial aid, including Bright Futures.
