Consortium Agreement

Term you will be cross enrolled/transient: [ ] all [ ] Spring [ ] Summer [ ] Academic Year: [ ]

(Valid for one term only)

Participation Criteria

If you are a degree-seeking student at Florida International University and have been granted approval to enroll at another participating institution as a transient student, attach to this document legible copies of your signed and completed Transient Student Form, a class schedule, and a paid receipt of the fees at the host institution. You will also need to submit an FIU Unofficial Transcript once credits have been successfully transferred. Failure to submit an Unofficial Transcript will result in cancellation of your financial aid award.

Only FIU will process qualified Financial Aid for an eligible student. Programs that will be considered in the Financial Aid award are Pell Grant and Stafford Loans. In addition, for a Florida host institution, consideration will be given for the Florida Assistance Grant (FSAG) and the Bright Futures Scholarship, as well as institutional grants/scholarships.

*In order to comply with federal regulation, proof of enrollment from your host school will be verified after their add/drop period before we disburse their portion of the aid. Until then, we will only be able to disburse aid for the classes you are enrolled in at FIU. Disbursements will occur after the consortium agreement has been approved and processed by both institutions.

Statement: I have read and clearly understand my responsibilities as stated above. I have attached all of the required documentation to this agreement. I understand that any changes to my schedule will invalidate this contract and may result in the cancellation of any Financial Aid.
