Please be aware that our office is limited in its ability to change a loan amount once the funds have been disbursed to your account. In addition, if you wish to cancel all or a portion of your disbursed loan(s), you have 14 days from the date of disbursement to submit this form to our office. Please note that if you cancel all or a portion of your loan that has already been disbursed, this adjustment will create a charge on your account. Failure to pay any outstanding balance due to a loan adjustment will result in a hold for outstanding balance due, late payment fees and you will not be allowed to request an academic transcript or have access to enroll in future terms.

Loans borrowed for the 2022-2023 academic year will not be part of the student loan relief plan announced by President Biden on August 24, 2022. Please be mindful of this when borrowing student loans for this year.
