I certify in my best professional judgment that the above named student is able to engage in substantial gainful activity as defied by the U.S. Department of Education.	
The above referenced borrower was previously classified as totally and permanently disabled and as a result of this condition received a total discharge of his/her federal student loan indebtedness. As stated in the Student Section above, the borrower is now requesting financial aid from one of the federal education loan programs. The U.S. Department of Education requires that a physician certify that a borrower is once again able to engage in substantial gainful activity, i.e., the person is sufficiently recovered to be capable of attending schools, successfully completing program of study, and securing employment in order to repay the loan he/she is seeking. Your completion of this section will fulfill this requirement.	
Physician Section: Must be completed if this is the first time the student is submitting this form. If this form has been submitted in a prior academic year, this section is not required.
