Please be aware that our office is limited in its ability to change a loan amount once the funds have been disbursed to your account. If you wish to cancel all or a portion of your disbursed loan(s), you have 14 days from the date of disbursement to submit this form to our office. Please note that if you cancel all or a portion of a disbursed loan, the adjustment will create a charge on your student account. Failure to pay any outstanding balance created by the loan adjustment will result in late payment fees, and a hold for outstanding balance due. The outstanding balance hold will prevent the release of academic transcripts and registration for future terms of enrollment.
